DETAILED ACTION

1. For further reconsideration, the restriction that sent out 6/28/04 has been withdrawn.

Claim Objections

2. Claims 12 and 18-39 are objected to because of the following informalities:

Claim 12, line 2, "the slots" lacks an antecedent basis.

Claim 18, line 5, "the conductive" lacks an antecedent basis.

Claim 29, line 7, "the conductive ends" lacks an antecedent basis.

Claim 29, line 11, "the disposer" lacks an antecedent basis.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 3, 20 and 31 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claims 3, 20 and 31, what is "a third wire" that the Applicant refers to since a first wire, a second wire and a ground wire are all disclosed.

Allowable Subject Matter

5. Claims 1-2, 4-19, 21-30 and 32-51 are allowed.

6. The following is an examiner's statement of reasons for allowance:

None of the reference discloses connective members housed within the plug and being electrically connected to the first and second wires, and capable of electrically connecting to the leads of the appliance, which received in the first portion, in combination with the other claimed elements of the embodiments recited.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

8. Claims 3, 20 and 31 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
